

5 Ways to Take Initiative

When Starting a New Job

Congratulations on the new job! Now comes the exciting (and sometimes overwhelming) first few weeks. Taking initiative during this probationary period demonstrates your eagerness to learn, contribute, and become a valuable team member. Here are 5 ways to show initiative and make a positive impression:

- 1 Become a Knowledge Sponge**
- 2 Embrace New Tasks and Challenges**
- 3 Build Strong Relationships**
- 4 Become a Resourceful Problem Solver**
- 5 Communicate Effectively & Deliver Results**
