

PHRASES TO MASTER WHEN

Negotiating Salaries

Effective salary negotiation often relies on choosing the right words to convey your value and expectations. Here are some powerful phrases to master when discussing salary:

// *Based on my research and industry standards...*

This phrase shows that you've done your homework and are approaching the negotiation informed.

// *Considering my experience and skills in [specific task or role], I believe a salary in the range of [X-Y] would be appropriate.*

This phrase shows that you've done your homework and are approaching the negotiation informed.

// *Is there flexibility in the salary package?*

A subtle way to open the door to discussions without giving a specific number.
